Dear Mr Bergman,

**Subject: Request for complementing the EFSA scientific opinions related to
MON89034x1507xMON88017x59122 maize and
MON89034x1507xNK603 maize with the missing scope**

Thank you for your letter, dated on 24 November 2010, concerning the EFSA overall opinions related to maize MON89034x1507xMON88017x59122 and to maize MON89034x1507xNK603 adopted on 29 September 2010.

As DG SANCO is responsible of Regulation (EC) 1829/2003 implementation and the management of submitted applications, I would like to ask EFSA, by means of this letter, to complement the EFSA overall opinions to cover all sub-combinations of their single events independently of their origin, in addition to the higher stack.

Yours sincerely,

Dorothee André
Head of Unit
