Dear Mr Bergman,

Per

Subject: EFSA's inconclusive opinion on Application EFSA-GMO-UK-2007-41

Following the adoption of a partially inconclusive EFSA opinion on MON 88913 cotton on 26 July 2013, the applicant submitted to EFSA the missing data on 22 October 2013.

Hereby, I would like to ask EFSA to complement its original scientific opinion on MON 88913 cotton taking into account this additional information. The Commission will base its risk management decision on both assessments.

with my best regards.

Yours sincerely

Eric Poudelet
