Subject: Acceptance of the valid Application under Regulation 1829/2003 for renewal of authorisation of feed containing or consisting of genetically modified oilseed rape GT73 and products other food and feed containing or consisting of it
EFSA Question number: EFSA-Q-2016-00478
EFSA Application number: EFSA-GMO-RX-002

Dear

On **20 July 2016**, the European Food Safety Authority (EFSA) received from the European Commission the application under Regulation (EC) No 1829/2003 referring to **Application under Regulation 1829/2003 for renewal of authorisation of feed containing or consisting of genetically modified oilseed rape GT73 and products other food and feed containing or consisting of it** submitted by Monsanto Europe S.A./N.V.

Please find enclosed the **statement of validity** for the application with reference **EFSA-GMO-RX-002**.

You are kindly asked to submit to EFSA within 10 working days from the date of this letter:

- 1 copy in electronic format of Public Version (CD-ROM)

According to Regulation (EC) No 1829/2003, EFSA shall respect the deadline of **6 months** to deliver a scientific opinion. However, during the assessment of the dossier, EFSA may request the applicant for additional information if necessary. In such case, the time limit of 6 months shall be extended in compliance with the Regulation.

Please be informed that as the application is considered valid, non-confidential parts of the application, including additional information submitted further on, will be considered as publicly available upon request and will be disclosed to third parties without additional written consent from your part.

The application has been registered under the references **EFSA-Q-2016-00478** and **EFSA-GMO-RX-002**. Please use these references for further communication with EFSA concerning this application. You can monitor the status and progress of the application from the Register of Questions on the EFSA website:
(<http://registerofquestions.efsa.europa.eu/roqFrontend/questionLoader?question=EFSA-Q-2016-00478>).

The scientific unit GMO is taking over the handling of the application. The contact scientific officer for your application is the coordinator of applications Sylvie Mestdagh (Sylvie.MESTDAGH@efsa.europa.eu).

Yours sincerely,

Karine Lheureux

Head of Applications Desk Unit
